January 2018

Dear Sponsor,

It has been another great year for the Johnson County Cancer Foundation with the success of our annual golf tournament and our walk/run, "Fighting Cancer Through the Fairways."

Since our beginning, we have raised over \$500,000 and helped over 325 families with their struggles with cancer. This money helps only people who live in Johnson County and we have been able to keep our expenses to a minimum.

We are contacting you early, as we know you are asked to donate to many worthy causes within the year.

As in the past, we ask for a donation of \$200 a sponsor for the annual golf tournament, which places your name in front of all the participants at Hidden Pines Country Club (June 9, 2018).

In addition, we would also like you to consider another \$100, which would allow you to be a sponsor in the walk/run (date T.B.A.).

We are a 501(c)3 organization, so your donation is fully deductible.

We hope that you will consider the full donation of \$300 to allow us to continue the great work we have accomplished!

We thank you for your continued support!
